Since November 2007, the parties have been working together to seek resolution of the dispute between them. Negotiations continue. Plaintiffs circulated a draft Settlement Agreement. STIPULATION TO CONTINUE CASE MANAGEMENT  
CONFERENCE AND PROPOSED ORDER  
Case No. 07-04231 (CRB)

1 The Court previously granted the parties' request to continue the Case  
2 Management Conference in the above-referenced matter until February 15, 2008,  
3 to accommodate the parties' desire to seek resolution without the Court's  
4 assistance. In light of their progress, the parties again come before the Court to  
5 stipulate that the Case Management Conference scheduled before Judge Charles  
6 R. Breyer on February 15, 2008, should be continued to permit determination of  
7 whether the parties can agree to settlement terms.

Accordingly, the Case Management scheduled on February 15, 2008, should be continued until 8:30 a.m. on February 29, 2008, or as soon thereafter as is convenient for the Court.

Respectfully submitted,

Dated: January 31, 2008
